Tender Clarification 2 in response to tender questions raised.

- Q1. In respect of question 7.1, whilst I have experience / examples of contracts I have worked on, as I have only set up my practice in the last six months, I cannot provide current practice examples. Would examples from previous work be accepted?
- A1. Question 7.1 allows for a scenario where a newly formed or a Special Purpose Vehicle is to be created for this contract. 3 separate examples should be provided. The aim is to obtain experience of the proposed team members so it will be entirely satisfactory to receive previous work examples even if from a former employment on the understanding that the named contact should be able to provide written evidence to confirm the accuracy of the information provided.
- Q2. In respect of other disciplines to complete design works e.g. M&E, structures etc. Are these being appointed separately by BPA or are these to be included in the tender return?
- A2. The Architectural Services appointment Lots 1 & 2 relates only to the Architectural Services / Lead Designer roles for workstreams as described in the Invitation to Tender. Separate notices have already been issued for other consultant disciplines and they will be appointed directly by BPA.
