Notice identifier: 2026/S 000-000026

Procurement identifier (OCID): ocds-h6vhtk-05ef21 ([view related notices](#))

Published 2 January 2026, 11:37am

Scope

Description

The requirement is for DSIT to access specialised business intelligence data for national and international private companies. The products provided under the agreement are highly granular National company information and specific International company information and are accessible as an internet hosted library service.

Contract 1. Business Intelligence Data 2026

Supplier

- Moody's Analytics UK Limited

Contract value

- £174,225 excluding VAT
- £209,070 including VAT

Above the relevant threshold

Date signed

29 December 2025

Contract dates

- 1 January 2026 to 31 December 2026
- 1 year

Main procurement category

Goods

CPV classifications

- 48482000 - Business intelligence software package

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

Sch. 5 para. 5 of the Procurement Act 2023 is used as the following conditions are met in relation to this public contract-(a) due to an absence of competition for technical reasons,

only a particular supplier can supply the goods, services or works required, and (b) there are no reasonable alternatives to those goods, services or works.

Fame and Orbis are the only providers that meet DSIT requirements for detailed ownership data and extended historical financial records. They offer unmatched corporate hierarchy granularity (down to 0.1%) and comprehensive historical insights, alongside a golden record of public, private, and unincorporated businesses, capabilities not available from any other supplier or reseller.
