Text

The objective of this Preliminary Market Consultation (PMC) is to share with the market North East Lincolnshire Council's (the Authority's) ideas for transforming Children's residential Homes in North East Lincolnshire , to understand the interest and gather feedback on these ideas and also to seek ideas about opportunities and innovation in the market.

PMC allows local authorities and other contracting authorities in the public sector to engage with a market. PMC is designed to encourage the commercial and voluntary sectors to

engage with the development process before a procurement is released.

This is the market's opportunity to express its views, outline market developments and generally influence how solutions to the Authority's needs might be met. There is nothing for the Authority to evaluate or select in this activity.

PMC is not a call for competition. Following PMC, the Authority may conclude that procurement is not the best solution to meet a particular strategy outcome. The Authority may conclude that it would be better to do something entirely different to the intent within this PMC. It is essential that any organisation participating in the PMC understands that a procurement opportunity is not guaranteed. It is therefore essential that organisations understand that this activity is not part of a procurement exercise and involvement in the PMC does not affect an organisation's positioning either positively or negatively should a procurement opportunity arise subsequently.

Please note that the submission deadline for responses to the questionnaire, which is available via <https://yortender.eu-supply.com/login.asp?B=YORTENDER>, is 12.00pm(midday) on the 17th January 2025

Further information about the Authority's idea, the PMC and questionnaire are only available <https://yortender.eu-supply.com/login.asp?B=YORTENDER>

All clarifications and questions about this PMC must be submitted via:
