II.1.4) Short description

Lancashire Fire and Rescue Service would like to utilise this PIN notice to notify the market about a potential opportunity and to also facilitate market research. Lancashire Fire and Rescue Service wishes to seek the market's views on the supply and delivery of proposed new solutions to manage our services' pooled PPE including the required hardware and software. We would like to also use this exercise to gauge the level of interest in any eventual procurement activity. LFRS's objectives are to better understand any new approaches or solutions on the market that may be capable of meeting our current and future requirements. We also wish to use this exercise to help inform any potential procurement process that we may enter into. To respond to this opportunity, please log into the procurement portal and use access code F4635RQ294 to access the necessary documentation. All requests for clarifications should be submitted as soon as possible using the "Messaging" facility on the Delta (www.Supply4NWFire.org.uk) procurement portal. If you experience any technical difficulties when accessing the portal please contact the Supply4NWFireSourcing Helpdesk (not LFRS) on 0845 270 7050 or email nwfire@delta-esourcing.com
