ECH 1205

#### **II.1.2) Main CPV code**

- 45000000 - Construction work

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

Greener Futures Partnerships (GFP) is a consortium of five Registered Providers (Abri, Anchor, Home Group, Hyde and Sanctuary) who are working collaboratively to deliver the sustainable retrofit of homes.

The framework will be for a total of seven years (4+3) to enable delivery of the Social Housing Decarbonisation Fund (SHDF) and will be open to all Contracting Authorities in England, Wales and Scotland to access.

The framework will include an innovative approach with its bespoke commercial models, allowing various options to call off works, with multiple regional lots with a range of value bandings to encourage small, medium and large constructors and consultants to join the framework. In conjunction with the framework, GFP will also be procuring a Dynamic Purchasing System (DPS) for emerging technology and materials to support the delivery of the wider decarbonisation construction work.
