Housing First is a person-centred approach which is aimed at ending homelessness by rapidly transitioning individuals into independent and permanent housing. This approach prioritises providing stable housing. Following accommodation being secured the necessary support and services will be offered. Housing First is tailored for homeless individuals with high and complex needs, aiming to offer a lasting solution to homelessness, enhance health and wellbeing, and promote social integration. It utilises regular housing, such as private or social rented units, as an initial step towards recovery. The goal is to house individuals with high needs in secure homes and provide ongoing support at their own pace to help them maintain their tenancy.

Priority 2 in the Flintshire Housing Strategy Programme is about strengthening person centred approaches and responding to complex needs and priority 6 is rapid rehousing. The Housing First service is key to ensuring that Flintshire meet these priorities.
