## Section VI. Complementary information

### VI.3) Additional information

The estimated contract value is a broad estimate only and includes additional quantum for unforeseen demand and to future proof. There is no guarantee of any level of business under this contract. The estimate is not deemed to be a condition of contract nor a guarantee of minimum demand or uptake. No compensation will be payable to a contractor should the actual demand be less than that stated. . . The successful contractor's performance on this contract will be managed as per specification and regularly monitored (see Procurement Guidance Note 01/12 Contract Management: <https://www.finance-ni.gov.uk/sites/default/files/publications/dfp/PGN-01012-Contract-Management-Principles-Procedures-25-Sept-2017.PDF> ). Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in CPD for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a notice of written warning and notice of unsatisfactory performance and this contract may be terminated. The issue of a notice of written warning and notice of unsatisfactory performance will result in the contractor being excluded from all procurement competitions being undertaken by Centres of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy for a period of up to 3 years from the date of issue of the notice..
