#### **II.1.4) Short description**

NHS Humber and North Yorkshire Integrated Care Board (hereafter the Contracting Authority) is seeking to commission Telecare Alarm Scheme and Emergency Carer Support service.

The service aims to deliver a comprehensive telecare service which offers advice, information and an opportunity for demonstration of a range of telecare technology available on the market. The provider will promote their telecare service across North East Lincolnshire, to raise awareness of the benefits of telecare in supporting clients, their carers and the wider health and social care system, to facilitate appropriate referral into the service. The Provider will deliver the Carers' Emergency Alert Card providing eligible carers with an emergency 24 hour phone line. This phone line can be accessed by carers, or someone on their behalf, if the carer is experiencing an emergency or personal crisis situation which will prevent them from providing care for a short period of time.

The service will be required to deliver:

- a lifeline alarm and pendant along with peripherals where necessary to eligible clients to support them to remain independent at home for as long as possible.
- a call monitoring service which provides advice, guidance, referral to other services and a robust triage service calling on the most appropriate response to their telecare activations 24 hours a day, 365 days of the year.

- Welfare/ wellbeing checks along with courtesy calls.
- Ongoing monitoring and review of clients and where necessary servicing and repair of their telecare technology.
- reassurance and peace of mind to eligible carers' that in the event of a crisis situation an Emergency Plan can be initiated by the provider, to ensure that the cared for person is supported in the carer's absence.
