PROJECT BRIEF

The Hickman Bacon Memorial Park (Levellings) is an existing park for which Gainsborough Town Council have sole responsibility. The years though have taken their toll on this once thriving park. It is essential now that this park is brought back to life, as it is surrounded by residential properties, and is in a central part of our town, within easy reach of Southwest Ward, Trent and North Ward residents. There are not only residents but two schools in the vicinity of the park, and the local Scouts groups.

Gainsborough Town Council (GTC) is seeking to invite tenders for the design and build of a new play facility for children aged from 2 to 13+ years of age as well as adult gym equipment, with all equipment and surfacing conforming to EN1176 and EN1177.

In this phase the Council seeks a tender to:

1. Redevelop the toddler play area as to provide safe play equipment for children of pre-school age.
2. Redevelopment of play area for older children including the refurbishment of existing teen equipment and the removal of equipment that cannot be refurbished.
3. Repair and renewal of ball court creating opportunity to engage in improvised team sports
4. Installation of adult outdoor gym equipment helping to improve overall fitness, flexibility and strength

5. Landscaping, including plants, flowers and shrubs - engaging with the local community, Gainsborough in Bloom, nearby allotments helping to combat isolation.

We aim to provide play and fitness equipment that is accessible, inclusive and inviting to all. The equipment should wherever possible also be low maintenance whilst offering high play value.

The area assigned for development is located in Gainsborough (see location map). A budget of up to £116,945 has been set aside for the project.

The play areas must be appropriately fenced to exclude dogs and to retain young children in the play area
