II.1.4) Short description

The Authority is tendering for vehicle decommissioning, auction, breaking, recycling, and scrapping services.

The Statement of Requirements details a set of requirements to enable Bidders to assess

this opportunity. The structure of the document provides service descriptions and associated

obligations where the Authority has been able to articulate its requirement.

Bidders are encouraged to raise any and all clarifications which will serve to ensure they are fully aware of the Authority's requirements and expectations in delivery of the Project sought from this Process.

The Authority will award a single contract to cover its requirements. Subject to approval, the winning Bidder may subcontract some of the services, but the lead contractor will remain fully contractually liable of delivery of the services to the Authority.
