Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Early Market Engagement (EME) for Ministry of Defence - Defence Water Services Programme

II.1.2) Main CPV code

- 65110000 - Water distribution

II.1.3) Type of contract

Services

II.1.4) Short description

The Defence Infrastructure Organisation (DIO) on behalf of the Ministry of Defence (MoD), have considered options to secure the provision of water and wastewater services, and the operation and maintenance of MOD's private water network upon the expiry of the Aquatrine PFIs in 2028 and 2030.

Given the inevitability of change in the water sector, the needs of Defence are best served at this moment in time by going to the market seeking provision for a replacement service, likely to be in the form of Managed Service Provision (MSP) contract.

The Defence Water Services Programme is looking to engage with the potential service providers and assess market interest in the selected delivery model for the service provision.

DIO will be carrying out Industry Engagement from February 2025 and seek to invite interested parties to participate in a variety of sessions such as Programme Updates, Industry Days and Bilateral discussions (a commercial in confidence meeting between two parties i.e. DIO and the requesting party). We expect this engagement to begin with an Industry Day on 13th February 2025 at Tidworth Garrison Theatre, SP9 7EP.
