Reference

C404370

Description

Essex Partnership University NHS Foundation Trust (EPUT) is undertaking pre-market engagement to explore modern, app-based lone worker safety solutions that may complement or replace the Trust's existing fob-based system.

The purpose of the market engagement is to gauge interest and connect with providers in the marketplace. The responses provided will be for information only and will not be assessed.

Please register with the Atamis platform and download the guidance document for further information.
