II.2.4) Description of the procurement

Compression stockings are a specialised hosiery designed to help prevent the occurrence of, and guard against further progression of, venous disorders such as edema, phlebitis and thrombosis. Compression stockings are elastic garments worn around the leg, compressing the limb. This reduces the diameter of distended veins and increases venous blood flow velocity and valve effectiveness. Compression therapy helps decrease venous pressure, prevents venous stasis and impairments of venous walls, and relieves heavy and aching legs.

We are awarding this as a Multi Supplier Ranked Lot with Five Suppliers.

II.2.4) Description of the procurement

Provision of Compression Products Round Knit (RAL Standard) (Ready to Wear) for NHSS.

The concept of graduated compression hosiery is such that hosiery should be knitted to apply an ever decreasing pressure from the ankle to the thigh, or in the case of below knee hosiery, from the ankle to the knee. The degree of this graduation is laid down in the RAL standard

or Hohenstein tested hosiery and British Standard BS 6612:1985. There are slight differences between the graduation requirements on the two specifications.

Classification - RAL standard specifies the yarns and material which can be used for producing medical compression stockings, store the compression classes, the sizes for standard size hosiery and the testing method.

We are awarding this as a Multi Supplier Unranked Lot with Six Suppliers.

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Economic operators should approach the contracting authority in the first instance. However, the only formal remedy is to apply to the courts:

An economic operator that suffers, or is at risk of suffering, loss or damage attributable to a breach of duty under the Public Contracts (Scotland) Regulations 2015 or the Procurement Reform (Scotland) Act 2014, may bring proceedings in the Sheriff Court or the Court of Session.

The bringing of court proceedings against the Authority after the Framework Agreement has been entered into will not affect the Framework Agreement unless grounds for the imposition of special penalties under the Public Contracts (Scotland) Regulations 2015 can be established. Otherwise the remedies that may be awarded by the courts where the Framework Agreement has been entered into are limited to the award of damages.
