Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Trust requires software support from a company based in the UK to ensure remote and local support that is compatible with our existing hardware as Hermes.

Trust is also initiating a new service for Lung VQ that requires re-projection of the acquisition, through a specific lung quantification, which is provided by Hermes.

Current Hermes software have been used for patients under clinical trials, and to ensure continuity and reproducibility of results, the Trust requires the same applications or a service supporting the same application with a fundamental integration with RIS for the service efficacy as Hermes is.
