Housing and community amenities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Invitation to Tender for the Supply of Asbestos Surveys and Asbestos Removal Works

Reference number

DN509246

II.1.2) Main CPV code

- 90650000 - Asbestos removal services

II.1.3) Type of contract

Services

II.1.4) Short description

Bromford Housing Group Limited, (Parent of the Group) as a central purchasing body on behalf of itself and any of its current or future entities and subsidiaries (together "Bromford") wishes to invite interested organisations ("Potential Suppliers") to participate in a procurement process to award a Contract for the Supply of Asbestos Surveys and Asbestos Removal Works.

The Suppliers appointed under this Contract will deliver Asbestos surveys and removal works in line with the Control of Asbestos Regulations 2012, Waste Carrying licenses and all other HSE requirements.

Lots 1 & 2 cover Asbestos Surveys (Services) based on the geography stated below in this Notice.

Lots 3 & 4 cover Asbestos Removals (Works) based on the geography stated below in this Notice.

As both the Services and Works elements are equally important, we opted to label this procurement exercise as 'Services' purely because Lots 1 & 2 are estimated to be worth more from a financial perspective. The Form of Contract ("Contract") to be used will be different for the 2 Surveys Lots v.s the 2 Removals Lots.

II.1.5) Estimated total value

Value excluding VAT: £3,775,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Asbestos Surveys in the North (Staffordshire & Marches and Central localities).

Lot No

1

II.2.2) Additional CPV code(s)

- 90650000 - Asbestos removal services

II.2.3) Place of performance

NUTS codes

- UKG - WEST MIDLANDS (ENGLAND)

II.2.4) Description of the procurement

The key output requirements (including but not limited to) for the Asbestos Surveys successful Supplier/s are as follows:

- Suppliers must as a minimum be United Kingdom Accreditation Service (UKAS) accredited.
- Suppliers must as a minimum be accredited to International Standard ISO/IEC 17025 (Control of Asbestos Regulations 2012.)
- Suppliers will be expected to obtain and analyse samples of suspected asbestos-containing materials (ACM).
- In order to meet the requirements of the 'duty to manage asbestos' under regulation 4 of the Control of Asbestos Regulations 2012, the asbestos surveyor must be able to:
 - Provide evidence of suitable competence and training;
 - Demonstrate independence and impartiality;

- Have effective management and quality systems in place;
- Carry out the work in accordance with recognised guidance which is HSG264 – Asbestos: The Survey Guide.
- Undertake management or refurbishment/demolition asbestos surveys on Bromford's stock where necessary.
- Undertake re-inspection surveys where required.
- Provide support to Bromford when dealing with Contractors during any asbestos removal works.
- Provide advice to Bromford about any potentially high risk asbestos related products identified during the survey.
- Inform Bromford of any changes within the industry which may affect Bromford's asbestos management plans.
- Updating of Bromford's Asbestos Register where required. We will ensure that the IT systems used by Supplier/s are compatible with Bromford's systems.

II.2.5) Award criteria

Quality criterion - Name: Quality Criteria (Fully specified in ITT Documents) / Weighting: 40

Price - Weighting: 60

II.2.6) Estimated value

Value excluding VAT: £1,100,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

24

This contract is subject to renewal

Yes

Description of renewals

After the 24 month initial term of the Contract, there will be the option to further extend the Contract by up to a maximum further 24 months.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

25 February 2021

Local time

12:05pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.3) Additional information

Bromford hopes that by breaking the opportunity down into geographical and technical lots, this will allow both SME's and larger companies the opportunity to bid for this Contract.

Potential Suppliers can apply for any number of the above Lots. If the same company (or companies within the same group) apply for both Surveys and Removal Works lots, they will need to answer an additional Pass/Fail question (4.4.5) on how they will guarantee independence and impartiality.

Similarly, a Potential Supplier can apply to undertake both the Surveys or Removal Works across the North and South geographies as long as they can demonstrate they are capable of delivering this.

VI.4) Procedures for review

VI.4.1) Review body

Cabinet Office

London

Country
