### **Scope**

### **Description**

Procurement of MTC QS software package, including licensed access to the UK National Schedule of Rates (NSR). This service is required to support accurate cost estimating, pricing, and management of measured term and maintenance contracts using a nationally recognised and industry-standard schedule of rates. The MTC QS package provides validated, up-to-date NSR data within a structured digital platform, enabling consistent pricing, auditability, and compliance with contractual and governance requirements.
