II.1.4) Short description

The Providers of the CSP function will be critical and accountable partners to DLUHC to drive delivery of the £3.5bn tranche of funding to remediate buildings with unsafe non-Aluminium Composite Material (ACM) cladding.

The Service Providers will guide the assignment of all funding on the Building Safety Fund as well as the completion of the ACM programme.

Overall, DLUHC is providing £5.1bn to address the fire safety risks caused by unsafe cladding on high-rise residential buildings to protect residents and leaseholders from costs, prioritising the highest risk buildings.

The CSP function will be delivered through two lots: i. Lot 1 'Technical Site Provider' ii. Lot 2 'Operational Integrator Provider (Service Providers)

Prospective bidders will have the opportunity to compete for Lot 1, or Lot 2 or both lots with a direct offer of preferred bidder/contract on offer for each lot. It is expected that there will be market engagement before the procurement is launched.
