Scope

Description

The three categories outlined above will be procured under a single tender, structured into three separate lots using a Competitive Flexible Procedure that will result in the award of one or more utilities contracts in accordance with the Procurement Act 2023:

- Lot 1 (estimated £3.1m):

Bespoke ECN components Harnesses are required by critical DTS (Data Transmission System) and PIS (Passenger Information System) parts. These bespoke components also form part of the design integration for the other saloon systems, i.e. CCTV. The design has been verified and validated.

Previous market engagement indicates limited interest from 3rd party suppliers for the Bespoke ECN harness scope. Therefore, Bespoke ECN harnesses are separated from the remaining ECN scope to ensure competition for Lots 2 and 3 is not restricted.

- Lot 2 (estimated £772,800):

All remaining ECN harnesses will be made available to qualified suppliers with the capability and interest to deliver complete harness assemblies. This approach is designed to promote competition.

- Lot 3 (estimated £701,730):

A range of electrical miscellaneous parts will be procured with reference to specialised packaging and labelling in the correct sequence to support efficient installation.

Total value (estimated)

- £4,574,530 excluding VAT
- £5,489,436 including VAT

Above the relevant threshold

Main procurement category

Goods

Not the same for all lots

CPV classifications and contract dates are shown in Lot sections, because they are not the same for all lots.

Submission address and any special instructions

Bidders are required to Express Interest to participate by Wednesday 09 January 2026 at 12PM GMT.

SAP Ariba supplier registration link: <https://service.ariba.com/Supplier.aw>. You must upload your tender to the online e-Tendering.

SAP Ariba Registration:

The following instructions explain TfL's e-Tendering portal and provide guidance on how interested parties will be able to communicate with TfL in relation to this exercise.

(1) To register or to check if you are already registered to SAP Ariba, log on to <https://service.ariba.com/Supplier.aw> Interested parties must read the instructions carefully before proceeding with registration.

(2) Once you have registered on SAP Ariba (or are already registered), you must also register on TfL's SAP Ariba system through the following link
<https://s1-eu.ariba.com/Sourcing/Main/ad/selfRegistration?realm=TfL>

Guidance on registering is available through the following link: here
<https://content.tfl.gov.uk/supplier-registration.pdf>

(3) Upon completion of steps 1 and/or 2, interested parties must inform allenawatefe@TfL.co.uk with the following details:

- your organisation name as registered in SAP Ariba;
- your applicable supplier ID associated with TfL in SAP Ariba, in the form of SM Vendor ID, or ERP ID, or AN ID, or ACM ID;
- your single point of contact registered on SAP Ariba; first name and surname;
- your email address registered with SAP Ariba; and
- your role in the organisation as registered with SAP Ariba;

Completion of these steps will enable TfL to invite interested parties to the sourcing event in SAP Ariba to gain access to the procurement documents, allowing interested Applicants to view documents and submit their Participation stage responses via SAP Ariba.

If you encounter problems, please contact allenawatefe@tfl.gov.uk or Ariba_Supplier_Enablement@tfl.gov.uk in good time.
