II.1.1) Title

Public health services for 5 to 19 year olds

Reference number

DN517827

II.1.2) Main CPV code

- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

Currently in Doncaster, public health services for 5-19 year olds are delivered via Public Health Nursing service for 5-16+ year olds (School Nursing) and Project 3, an integrated substance misuse and sexual health service for young people age 11+.

Both services will be tendered in Autumn 2021 for anticipated contract start dates August 2022. We are currently reviewing service provision in preparation for the tender.

As part of this review, we would like to explore the potential to integrate the services into one delivery model, with one provider overseeing provision of public health services for 5-19 years olds across Doncaster.

For the purposes of this exercise, we would like to give you a broad overview of what elements of service provision would be offered as part of an integrated delivery model and how the service might be structured. All this information can be found in the attached PowerPoint presentation. We have posed a series of questions at the end of the slide set we would like providers to consider and respond to.

We will be holding a formal soft marketing event in February to discuss the model further and provide more details of the tender, please see attached flyer for more information. You will of course have the opportunity to raise your own questions but, to enable us to get the best out of the market day, we ask you to consider the information provided here in advance to help maximise the effectiveness of event.

If you have any questions about the information provided here or the soft market test event please contact Carrie Wardle carrie.wardle@doncaster.gov.uk

We would like to test a service delivery model that integrates our public health services for 5 to 19 year olds. This includes services for substance misuse, sexual health, and school nursing.

Please see the accompanying information pack for further details.

We are keen to get providers opinions on the proposed delivery model. To follow this information pack, commissioners would like to engage with interested parties in a virtual meeting.

We are holding an event via MS Teams on Friday 5th February 2021.

If you are interested in attending this event, please email your contact details including your name, job role, and organisation to: Katie.Gillan@doncaster.gov.uk by 1st February 2021.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE31 - Barnsley, Doncaster and Rotherham
