The potential service(s) may be split into lots with a proposal for Lot 1 to focus on Operational including discharges, transfers, outpatients, admissions, etc. and Lot 2 for the Booking and Co-ordination Call Centre. To assist in the exploratory exercise the Commissioner is seeking to engage with suitably qualified providers to help inform their next steps and to complete a market engagement questionnaire with the aim of:

- Engaging with providers
- Understanding the interest there might be in providing such services from suitably qualified providers.

- Gathering information from stakeholders that may be used to shape a commissioning / procurement process and documentation.

Providers who do not respond to the market engagement questionnaire will still be able to apply for the procurement in the future. Please note that this market engagement does not represent a formal stage in the procurement and participation will play no part in any subsequent evaluation process.
