Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Energy Efficiency Retrofit projects – Managing Agent

Reference number

DN518798

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

The appointment of a Framework of Managing Agent across 17 consortia/ areas made up of 141 local authorities across the South East of England; to deliver a large scale, low carbon project to deliver energy retrofit and low carbon/renewable technologies across all tenures of housing stock.

This scope of services will include marketing, householder sign-up, scoping of requirement, procurement of works packages, full monitoring and evaluation of the delivery of the works and reporting.

II.1.5) Estimated total value

Value excluding VAT: £1,000,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for maximum number of lots
17

Maximum number of lots that may be awarded to one tenderer: 6

The contracting authority reserves the right to award contracts combining the following

lots or groups of lots:

The GSEEH is looking to procure a framework made up of 17 different areas/ consortia as 17 identically scoped Lots, and tenderers are invited to apply for up to 6 neighbouring areas for which they may be awarded between one and three as the primary supplier with an option of being invited to be the reserve supplier for any of the other areas. However, if there are insufficient suppliers for this number of areas, the GSEEH reserve the right to allocate more areas to any of the suppliers as the primary and may even offer a supplier an area for which they did not bid but is neighbouring an area for which they are a primary and this would be based on the rates already submitted for the primary areas. The details of how this will be calculated is set out in the tender documents but ultimately will be based on which supplier provides the most economical and advantageous tender for each of the areas/ lots.

II.2) Description

II.2.1) Title

Lot No

0

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UKI - LONDON
- UKJ - SOUTH EAST (ENGLAND)

II.2.4) Description of the procurement

The appointment of a Framework of Managing Agent across 17 consortia/ areas made up of 141 local authorities across the South East of England; to deliver a large scale, low carbon project to deliver energy retrofit and low carbon/renewable technologies across all tenures of housing stock.

This scope of services will include marketing, managing the customer journey including consortia engagement, householder sign-up, eligibility checks, retrofit works scoping, works estimation, procurement of works packages (either through their own supply chain and appointed by the managing agent or through the GSEEH DPS and appointed by the

consortia, tender evaluation and award reports/ recommendations, contract completion, mobilisation and works management, commercial management, quality management and checks and output reporting.

the requirement will be the same for each of the following 17 Lots

1. London Consortia
2. Norfolk Consortia
3. Suffolk Consortia
4. Cambridge Consortia
5. Herts Consortia
6. Essex Consortia
7. Kent Consortia
8. East Sussex Consortia
9. Bucks Consortia
10. Berkshire Consortia
11. Ox Consortia
12. West Sussex (may join with East Sussex)
13. Surrey Consortia 1
14. Surrey Consortia 2
15. Hamps Consortia
16. Northants Consortia
17. Beds Consortia

The funding allocation for each of these area is calculated as being within one of 4 bands and this is set out in the tender documents

It should be noted that the initial call-offs across all 17 Lots for both this framework and

the delivery of the works has a maximum value of £77,566,500 and this budget and works must be completed by the end of 2021. However, the GSEEH team, is currently seeking to secure further energy efficiency funding and as such is estimating a potential, total services and works value of £1,000,000,000 with the services element across the 17 Lots being estimated at a maximum of 8% of this budget.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,000,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

24

This contract is subject to renewal

Yes

Description of renewals

the initial framework period is 24 months with the option to extend this twice, each for a further 12 month period. A final call-off can be made that runs up to 2 years past the end of the overall framework duration.
