Please note this is a Market Consultation Document ONLY, not a procurement exercise, and Jisc Services Limited (JSL) is not seeking tenders at this stage.

We are a membership organization, providing digital solutions for UK education and research. Our group purchasing scheme offers a transparent, equitable, and cost-effective opportunity for our members to acquire solutions for Access Management and Password Management Solutions tools.

These solutions should support UK further and higher education, and research institutions, in improving security, simplifying user experience, and enhancing operational efficiency.

The procurement will focus on solutions that:

- Offer seamless integration with institutional IT systems.
- Support multi-factor authentication (MFA) and single sign-on (SSO).
- Provide secure and efficient password management functionality, including self-service options for end-users.
- Align with Jisc's digital transformation strategy and cybersecurity objectives.

#### **II.2.14) Additional information**

Interested parties should respond using the contact email to express interest, and are free to provide links, case studies, indicative pricing and any other materials that provides Jisc with an insight into your solution(s).

Jisc will use any information obtained as a result of this PIN to determine the procurement strategy used to deliver the service described.
