Services will be required to be delivered for patients in North Tyneside. The anticipated tender live date for this procurement opportunity is in February 2023. The new contract term has an anticipated start date of 01 July 2023.

It is important to note that this is not a call for competition and as such potential providers will need to express an interest in any future tender opportunity once a contract notice is published on Find a Tender Service and on Contracts Finder. It should be noted that this exercise invites individuals and organisations to express an interest only, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process. This is intended as an awareness, communication, and information gathering exercise.

An expression of interest does not infer any preferential or special status on those individuals and organisations who express an interest.

NECS is utilising an electronic tendering portal (In-Tend) to manage this process and as such interested individuals and organisations will need to register on the portal to submit their expression of interest.

The In-Tend e-Tendering portal can be found at: <https://in-tendhost.co.uk/nhsnecsu/asp/Home>

Please note that it is free to register on In-Tend, which can be accessed at any time of day as long as you have a working internet connection.
