The Mid-life MOT encourages and enables people to stay in work longer and enjoy a more secure retirement through helping them take stock of their Work, Wealth, and Wellbeing.

The Buyer wishes to encourage and enable individuals to engage with later life planning through a holistic assessment of their Work, Wealth, and Wellbeing. The Buyer is seeking to procure delivery of the Mid-life MOT through employers and direct to individuals within the three pilot areas:

North East of England,

East Anglia and

Cornwall and Devon.

The Buyer intends to issue a draft specification in relation to this procurement via Contracts Finder shortly following this Prior Information Notice. Please note that the draft

specification is a draft only and the Buyer may amend the specification prior to issuing the procurement documents to eligible suppliers on the Test and Learn DPS.
