### **Engagement process description**

NHS Shared Business Services (NHS SBS) is developing a fit-for-the-future framework to support the delivery of Legal Services across the NHS and wider public sector.

To help define the scope and structure of the new framework, NHS SBS is conducting a Preliminary Market Engagement (PME) exercise with suppliers. The aim is to gather market insight, assess supplier capability, and test the relevance of proposed lots before finalising the Lot and commercial structure, Specification and launching a formal procurement process.

The existing Legal Services framework is due to expire on 31/07/2027. This PME represents an important opportunity to shape the future of Legal Services procurement and ensure the framework aligns with the market capabilities, national priorities, local

needs, and emerging innovation.

The proposed lot structure under consideration includes the following:

? Lot 1: Governance, structure, transformation & public law

?Lot 2: Healthcare & mental health

?Lot 3: Employment

?Lot 4: Procurement, commercial & contract

?Lot 5: Property & construction

?Lot 6: Technology & e-commerce, including IP & media law

?Lot 7: Corporate finance, audit & insurance

?Lot 8: Criminal

?Lot 9: Legal recovery & collection

?Lot 10: Counsel

?Lot 11: Multi-disciplinary support
