Section VI. Complementary information

VI.3) Additional information

The Contracting Authority may call off services or works from the framework agreement in accordance with the terms and conditions set out therein. Any call off contract shall be awarded to the most suitable supplier based on the criteria and evaluation method established in the framework agreement.

The Contracting Authority reserves the right to

- i. rotate the call off services or works among the suppliers in the framework agreement
- ii. directly appoint a framework member for the provision of services or works without further competition in cases of exceptional circumstances, where there is no other capable supplier available or where there is an urgent need to provide the services or works.
- iii. undertake a mini-competition among the suppliers in the framework agreement for the provision of services or works when the Contracting Authority determines that a mini-competition is necessary to promote competition, ensure value for money, or achieve other procurement objectives
- iv. not call off any goods, services or works from the framework agreement, in whole or in part, at any time without incurring any liability to the suppliers. The Contracting Authority may terminate the call off contract at any time in accordance with the provisions set out in the framework agreement.
