This is a Prior Information Notice only and is being utilised to inform the market of an upcoming procurement. The procurement is not live yet. SCAPE on behalf of Arc Property Services Partnership Ltd (the Client), are seeking to set up a new Contract for the provision of a legionella monitoring service (including 24/7 emergency attendance) across various locations within the Nottinghamshire, Derbyshire, South Yorkshire and Leicestershire areas. The Contract will cover all elements of the Clients business. The NEC4 Term Service Short Contract will be used to manage the Client and Contractor relationship. Please note: No warranty is given to the Contractor by neither SCAPE nor the Client as to the amount (if any) or nature of the service which may be required to be carried out by the Contractor during the Contract period and no claim for compensation either contractual or otherwise will be accepted in respect of any variation in the volume of the work. A full guide to the services required can be found within tender documents once the procurement is live at the end of January 2024. The Contract will be in place for a period of 36 months, with the option to extend for two periods of 24 months years (36 + 24 + 24 = max 84 months). Suppliers interested in applying for this opportunity should first register (for free) on Delta eSourcing (<https://www.delta-esourcing.com/>) and once done so, should send an email to procurement@arc-partnership.co.uk.
