II.1.4) Short description

South East London Integrated Care Board (SEL ICB) Lewisham Borough are seeking to procure 14 Intermediate Care Beds for Adults aged over 18 years who are registered with a Lewisham GP and reside in Lewisham

The main service outcome will be to deliver a 14 bed based Intermediate Care bedded rehabilitation and reablement unit, providing nursing and HCA support element to the service to people who are medically optimised at the point of discharge but still requiring nursing due to the acuity of their clinical presentation. The therapy input for this service will be delivered by the Lewisham and Greenwich Trust (LGT) Therapy Team, with support from the Provider's staff to achieve the patient rehabilitation outcomes.

The provider will operate 24 hours a day, 7 days a week and 365 days of the year and ensure there is adequate staff to support patients in the beds.

The maximum length of stay in these rehab beds is six weeks, during which time the service aims to improve the patient's functionality and physical ability. Anticipated service outcomes include a measurable improvement in patient functionality and reducing the risk of an avoidable hospital admission.

The contract has a maximum value of £989,000 per annum, for each year of the contract. The contract will be for an initial period of three years, with the option of a two year extension.
