## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

The University of Nottingham - Digital Partner

Reference number

1561/ITT/SS

#### **II.1.2) Main CPV code**

- 72000000 - IT services: consulting, software development, Internet and support

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The University of Nottingham is seeking to engage a service provider, described as a "Digital Partner" on a framework agreement to provide strategic advice and guidance and support the delivery and modernisation of its foundational IT services across the university. Initial services to be delivered under the framework agreement include Strategic Advice and Guidance, Managed Network Services, Managed Print Services and Integration. Following the delivery of the initial services, the university will then work with the Digital Partner to prioritise and deliver the modernisation of further foundational IT services. Further information on the full scope of all the services is available in the tender documentation.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £80,000,000

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 72000000 - IT services: consulting, software development, Internet and support

### **II.2.3) Place of performance**

NUTS codes

- UKF14 - Nottingham

### **II.2.4) Description of the procurement**

The University of Nottingham is a world class teaching and research institution with campuses in the UK, China, and Malaysia. We are home to tens of thousands of students, academics, and staff. Our vision is to be a university without borders, where we embrace the opportunities presented by a changing world, and where ambitious people and a creative culture will enable us to change the world for the better. The university recognises the need for agile, reliable and robust technology services. They underpin everything the university does from delivering excellent, digitally enabled education, research, and professional services, to providing an exemplar user experience both on and off campus. The university intends to award a framework agreement to a single supplier with a term of four years. At the same time as awarding the framework the university intends to award call off contracts for Strategic Advice and Guidance, Network Services, Managed Print Services and Integration. These call off contracts are each expected to have a term of five years with the option to extend by two years. Draft terms and conditions for the framework agreement and call-off contracts will be provided with the invitation to tender documents.

### **II.2.5) Award criteria**

Quality criterion - Name: Weighting for the quality evaluation (marks) / Weighting: 60

Cost criterion - Name: Weighting for the price evaluation (marks) / Weighting: 40

### **II.2.11) Information about options**

Options: No

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

### **II.2.14) Additional information**

The award of this contract will be on the basis of the 'Most Economically Advantageous Tender' (MEAT).

---

## **Section IV. Procedure**
