II.1.4) Short description

Sheffield Hallam University requires an Immersive Workspace with its supporting equipment, software, and warranties, for the Institute of Technology. The equipment is part of a long-term plan to ensure that the University continues to offer an up-to-date, industry-relevant experience to our students and that we teach immersive and innovative cutting-edge technologies that not only add to the student experience but also the credibility of the University.

This tender is for the supply, installation, commissioning, warranty, and maintenance of an Integrated (both hardware and software) Immersive Workspace. The Immersive workspace should provide an immersive visual and audio experience providing wall and floor projection, surround sound in an enclosed space to simulate a range of immersive teaching and simulated environments. These immersive environments could include:

- Medical simulated environments
- Construction / build 360 content
- Immersive gaming / VR
- Live streaming of 360 camera broadcasts
- Immersive teaching environments
