Description of options

Each tenderer must submit a Tender for the Mandatory Bid as set out below. This must contain all pricing information and quality statements. Any reference to any documents from recognised formal bodies such as the British Standards Institution, International Organisation for Standardization, Illuminating Engineering Society standard, Institution of Lighting Professionals are considered as correct at the date of issue of this Invitation to Tender. If any referenced documents are superseded during the Tender Period, adherence to the revised documents is expected, in order for any submission to be regarded as a compliant Mandatory Bid, rather than solely taken into account in any Variant Bids. In addition to this, tenderers may also submit Variant Bids for one or all of the options set out below. Variant Bids must contain all the same information in the same order and in the same numbered format as the Mandatory Bid. For each bid submitted, clarification on how the tenderer would deliver the potential additional scope of similar equipment replacement work for the third parties prior to the 31st March 2023 is required. Please note: A Variant Bid will only be considered once the Council has determined that the tenderer has submitted a compliant Mandatory Bid. Mandatory Bid Equipment replacement works to be carried out over a maximum period of 2 yearsOptional:Variant Bid 1 Equipment replacement to be carried out over a period less than that of the Mandatory Bid. Programme to be proposed by the tenderer. Optional: Variant Bid 2 Alternative capital cost of lanterns but offering reduced energy consumptionAny variant bids which are received will be evaluated against the same award criteria as set for standard compliant bids.
