Suppliers who wish to express an interest and take part in the tender process will be required to register on our e-Tendering portal In-Tend hosted at <https://in-tendhost.co.uk/britishcouncil>. Once registered, bidders must log-in to the website where they can view the project and access the bidders pack and submit their return. Bidders will also be required to demonstrate their capability and `means of proof` will be required. These conditions are outlined in the ITT. The British Council will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.
