II.1.4) Short description

Dingley Road is a supported living scheme for people with learning disabilities which supports Islington's adult social care vision for Islington to be a place made up of strong, inclusive and connected communities, where regardless of background, people have fair and equal access to adult social care support that enables residents to live healthy fulfilling and independent lives. The scheme consists of ten self-contained flats within a general needs block as well as access to a shared communal space.

In line with Islington's vision for adult social care the re-commissioning of this care and support contract will ensure that residents residing at the scheme are supported appropriately with their health, wellbeing, and safety in the community. The service will also ensure that they can stay in the borough and are close to their family support networks.

The contract will be funded through existing social care budgets on a core contract value. The current core contract value for the service is £177,040 per annum. Therefore, the maximum estimated total cost of the core contract will be £1,062,240.

In addition to the core annual budget the successful provider will be responsible for managing the individual service funds (ISFs) for residents residing at the scheme. The current annual budget for ISFs for residents residing at the scheme is £109,565. However, the amount paid to the provider is based on the actual need of the client and the ISF budget will be subject to change (both up and down) according to subsequent changes in need for each client. The ISF (lead) provider can charge up to £20 per month per client to manage their ISF. The allowance for this is already calculated within the current ISF budget for residents residing at the scheme of £109,565.
