The service required for the registered population of the NHS commissioning organisation is for a hearing assessment service, including hearing aid fitting (where required), rehabilitative support, follow-up and aftercare services for adults with no contraindications who have suspected or diagnosed hearing loss. The service should include some flexibility to provide later evening and/or weekend appointments outside of regular working hours (Mon-Fri, 9am-5pm).

This specification does not cover services for people with these contraindications who should continue to be referred by GP referral to the appropriate service as they may require more specialist intervention.

The Adult Hearing Service will consist of:

- Hearing needs assessment;
- Development of a personalised care plan;
- Provision and fitting of hearing aids, where clinically appropriate and agreed with the service user;
- Appropriate hearing rehabilitation, for example service user information; hearing therapy;
- Information on and signposting to any relevant communication/social support services;
- Follow-up to assess whether needs have been met;
- Aftercare service for up the effective life of the user's aid(s), including advice, maintenance and review.

- Discharge from hearing assessment and fitting pathway;
- Provision for service user complaints and feedback to the Provider.

The overall service should be carried out in accordance with best practice and guidelines.
