### **Scope**

### **Description**

We are seeking to appoint a treasury advisor, on a retainer, with knowledge and experience of working with Housing Associations registered with the Regulator of Social Housing for England and Wales to act as critical friend and subject matter expert to the Executive Management Team and the Board, advising on all aspects of treasury management within an affordable housing sector context and to also provide support and assurance on the Brixx financial modelling software and outputs.

The appointed treasury advisor will support Greatwell Homes to access the funding markets in the most cost-effective way to raise new finance to support the delivery of corporate objectives and will occasionally be required to provide additional support with the Brixx financial modelling software including training. These services are out of scope for the retainer and will be quoted separately when required.

Under the retainer we expect to receive:

- Daily, weekly and monthly rate sheets and regular market updates
- Economic Business Plan Assumptions

- Updates to the Annual Treasury Strategy
- Annual review and update of the Treasury Management Policy and associated procedures
- Regular economic commentary with a focus on the affordable housing sector
- Access to briefings and on-line webinars to build knowledge and support continued professional development
- Strategic insight and training for Board members (predominantly on-line)
- General advice and support on an ad-hoc basis
- Independent review of the Brixx financial model and stress-testing including sense check of outputs with supporting commentary
- Review of the Regulator's FFR prior to submission
- Quarterly mark to market reports and annual fair value valuations where required
- Counterparty credit information
- Support with the Resilience Plan
- Sector benchmarking where appropriate

We expect the appointment to be on a 3-year contract with two one-year options to extend (3+1+1) with the contract to be managed in accordance with the principles of procurement legislation including KPI's where appropriate. Bidders will be expected to have in place appropriate professional indemnity insurance (minimum £1m) and policies covering EDI, sustainability and financial crimes compliance for the duration of the contract and demonstrate relevant knowledge and experience of working with the affordable housing sector.
