Service Lot Two: Employability and Work Skills

Service Lot Two is made up of three sub categories: Employability, Work Skills and Other;

- Employability, include skills or support provision for transferrable skills designed to support a young person to be more employable.
- Work Skills, includes the generic (non- sector specific) or transferable skills or support a participant may require whilst in work or to get into work.
- Other, includes any provision which is new or innovative and that encompasses the requirement for skills or support in order to overcome barriers which is connected to employability and non-sector specific work skills.

Examples of what could be included within the service lot are contained in Appendix One of the DPS documentation. This list is purely indicative of the type of specialist support that may be provided. Service provision must be bespoke and tailored to the specific needs of ADTRAC Participants. This Sub Category is split into six geographic areas: (a) Isle of Anglesey (b) Gwynedd (c) Conwy (d) Denbighshire (e) Flintshire (f) Wrexham.

The contracting authority reserves the right to award contracts combining the following lots or groups of lots: Some of the Service Lots are further divided into Sub-Categories. There is no limit on the number of Service Lots and/or Sub-Categories in respect of which Service Providers may apply to join the ADTRAC Project DPS. There is no maximum number of Service Lots or Sub-Categories to which Service Providers may be admitted. Contracts may be awarded combining any number of Lots/Sub-Categories.
