VII.2) Other additional information

To accommodate actual and forecast resourcing issues caused by the current and projected COVID situation SWTRA will grant a 14 day extension to the ITT programme (dates as follows):

Clarification date – amended from 28/01/2022 to 11/02/2022 at 12:00hrs

Tender Closing Date – amended from 04/02/2022 to 18/02/2022 at 12:00hrs

The above extension is granted under exceptional circumstances and would encourage Suppliers to develop their responses against the original ITT deadlines, in order to reduce the risk of encountering COVID resourcing issues late in the ITT submission cycle, when further extensions may not be possible.
