The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

Under the Framework operation, Work Package call-offs shall generally be positioned at an individual project level aligned to an individual Lot and specific value band and as such the Council is eager to maintain a direct and uninterrupted contractual and working relationship link direct into the Supplier who is providing the services into the Council.

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

Community benefits are included in this requirement, and forms part of the tender evaluation criteria.

For a full explanation on Dumfries and Galloway's community benefit approach please read section 5 in the "ProTechServices ITT" document provided within PCST.
