II.1.4) Short description

This provision is for a framework agreement for day to day reactive and associated general minor building and electrical services maintenance works to be provided at the Council's non-domestic public buildings. The Council has a public buildings property estate, all located within the geographical boundaries of Denbighshire, currently comprising operational buildings, including schools, and further miscellaneous non-operational buildings for which it has a mixed selection of premises management responsibilities. This public building estate comprises schools, leisure centres, libraries, offices, depots, public toilets, care homes, day centres, industrial units, theatres, tourism buildings and a selection of other miscellaneous properties, all located on over 190 sites.

The maintenance department wishes to engage a suitably qualified and competent Contractor(s) to supply all labour, materials and plant. The contractor (s) should be able to satisfactorily undertake the execution of all building, electrical services maintenance and associated general minor repair work in all trades.

The requirement will be to establish a Framework Agreement for the following Reactive Maintenance works. The agreement will be divided into six (6) lots :

Lot 1 – Reactive & associated general building works for North Denbighshire.

Lot 2 – Reactive & associated general building works for South Denbighshire

Lot 3 – Reactive & general minor electrical services maintenance works for North

Denbighshire.

Lot 4 – Reactive & general minor electrical services maintenance works for South Denbighshire.

Lot 5 – Reactive & general minor mechanical maintenance works for North Denbighshire.

Lot 6 - Reactive & general minor mechanical maintenance works for South Denbighshire.

The expected duration of the framework agreement will be 2 years with the option to extend for a further 2 years in 1 year extensions subject to satisfactory performance.
