Somerset County Council wishes to establish a new Dynamic Purchasing System (DPS) under which all procurement activity for the provision of high quality and cost effective Passenger Transport will be conducted.

This is to replace the current Passenger Transport DPS which expires on 31st March 2021. All existing suppliers will need to reapply to the new DPS.

The type of transport the Council provides includes Home to School transport service for children in mainstream education and children with Special Educational Needs and Disabilities (SEND), Children and Adult Services, County bus services, Ad Hoc Taxis and Minibus / Coach hire, and any other passenger transport services. On certain routes there is a requirement for regular drivers, and/or passenger assistants.

The Council also provides scheduled local bus services to meet public transport requirements which would otherwise not be met; these are scheduled public passenger transport services that transport citizens within the boundary of Somerset County Council and across neighbouring council boundaries, when the Council provides additional subsidised services.

The DPS will commence on 1st April 2021 and will run for 5 years (to 31st March 2026) with the option to extend by 2 further periods of 2 years each (Maximum of nine years in total to 31st March 2030).
