#### **II.1.4) Short description**

The Authority is establishing a collaborative Dynamic Purchasing System (DPS) for Digital Technology Services split into a number of lots for the provision of Digital Technology Projects, Digital Technology Resources and Cyber Security Services.

Technology is transforming the way public services are being delivered with significant growth in demand for digital technology services as identified in the Scottish Government's Digital Strategy. There is also a desire by organisations to have access to a wider range of digital technology suppliers to, support agile working, mitigate the skills gap and further develop their cyber security processes.

The DPS aims to support a number of Scottish Government strategies and in particular:

Realising Scotland's full potential in a digital world: A Digital Strategy for Scotland - <http://www.gov.scot/resource/0051/00515583.pdf>

Safe, Secure and Prosperous: A Cyber Resilience Strategy for Scotland - <http://www.gov.scot/Resource/0048/00489206>
