### **II.1.4) Short description**

The British Council delivers high quality English language services to its customers, with face-to-face, online and remote learning options. In addition to its established network of Centres, Branches and Off-site locations, the British Council plans to expand its footprint via a more agile, flexible and efficient use of digital channels, with an easy in and easy out approach, following customer catchment areas, and thereby catering for our customer's increasing need for convenience. In order to take advantage of both new and existing business opportunities, the British Council needs to ensure it has a modern learning management system (LMS), that can be fully integrated into a unified eco-system. The LMS must be able to support and deliver on-line learning content and greater access to managing learning, all of which will help the organisation achieve its aspiration of placing the customer at the heart of everything we do.
