VSCO Networking Event – Bristol Substance Use Treatment Services Recommissioning

Dear stakeholders

Bristol City Council is recommissioning substance use treatment services, with new services starting in March 2025.

We need our provider(s) to work closely in partnership with local voluntary and community sector organisations.

At this networking event, representatives from each organisation will be invited to give a short pitch to all participants. Following this there will be opportunity for participants to establish links and find out more about each other's work.
