EA are hosting a further PME session specifically for those suppliers interested in bidding for the Strategic Partner Project. The session will be held virtually via MS Teams. The Authority will issue a PME briefing document in the week prior to the PME session, which will set out a number of considerations on which the Authority is seeking the market's views as part of developing its procurement strategy and transition strategy. The Authority will explain and discuss these considerations at the PME meeting, and asks interested suppliers to provide a short written response to each of these considerations.
