### **Scope**

### **Reference**

AMCV 337

### **Description**

Shropshire Council invites tenders from providers for the care and support element of this service, including some hotel costs as outlined in the Finance Model schedule. Shropshire Council will act as the Commissioning Authority for the tender process. If the successful tenderer is not already registered with the Care Quality Commission, registration will be required following the award of the contract.

The initial term will be for 2 years (from 1 April 2026 – 31 March 2028), with 2 extensions period of 1 year each (i.e. a total and maximum of 2 years for the extension period). The terms, conditions, and standards are contained in the enclosed sample form of contract, which will be reviewed periodically to ensure it includes the Council's up-to-date contract clauses.

Shropshire Council is tendering this service to meet the ongoing requirement of demonstrating Best Value. Providers tendering for these services are expected to identify improved efficiencies while maintaining a high-quality service.

The Council seeks to appoint an innovative provider who:

Can meet the varied needs of up to 5 different residents.

Can develop the current service in line with the Council's priorities.

Has a track record of providing high-quality residential respite services of a similar nature.

Has proven abilities to think imaginatively about service development and improvement.

Can demonstrate an awareness of local and national agendas for both health and social care.

Performance of the home will be monitored and contribute to the Council's overall performance framework. The Council supports the development of appropriate local performance targets by and for individual services.
