The successful Supplier will be required to provide cleaning services for King Henry VIII 3-19 School in Abergavenny.

The annual value of the contract is approximately £180,000.

King Henry VIII 3-19 School is an all-through school providing education for pupils, aged 3 to aged 19. There are currently 1,330 pupils on roll and 220 staff. It is anticipated to increase to 1,820 pupils over the course of the contract.

Our vision is to provide excellent educational provision for all pupils in this wonderful community, in this fabulous town. We believe that every child should have access to a great education, regardless of background, so that they have real choices in life. We believe that every lesson counts, every pupil matters, and that every pupil should feel valued as an individual.

Our pupils make rapid progress and achieve academic excellence in an environment of love and care. Our school is a strong family where expectations are high, values are positive, and children are treasured. We equip our pupils with the knowledge, character, and learning power to achieve top grades in their qualifications and to lead successful lives.

We do not believe that some pupils are bright and that others are not. We believe that anyone can learn anything, and the growth mindset underpins everything we do. We believe that what we become and what we achieve comes from great teaching, hard work, and fantastic support.

We are a fully integrated 3 to 19 all-through school. We fully embrace the transformative power through-schools provide in improving the educational experience and outcomes for pupils. The opportunity to support a Year 13 pupil that we have known since age 3 has dramatic effects. It leads to effective inclusion where every child is known. It allows the successful challenge of the primary/secondary divide. It leads to very high levels of pupil

wellbeing.

The school will be moving into a new building during the next academic year with an anticipated move date of November 2024 in line with the contract start date. The mobilisation period will be particularly important in ensuring the right staffing structure, equipment and cleaning specifications are in place for the start of the contract.
