The intention of the provider panel is, that as a bidder, you will include an initial proposal to cover one holiday period. Where you are successful and are awarded a contract for delivery you may then be considered for direct awards for future delivery over holiday periods throughout the lifetime of the Agreement. Any future direct award will be subject to performance, monitoring, geographical need, activity need, and commissioner approval of the activity. The direct awards can be utilised throughout the lifetime of the Agreement.

Within the direct award there is capacity to undertake price refreshers and changes to activity delivery including venue and geographical demand zone.

The Provider Panel Agreement provides for no form of exclusivity or volume guarantee by the Council(s) for Services from the Provider and that the Council(s) is at all times entitled to enter into other contracts and agreements with other Providers for the provision of any Services.
