## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The CCS DPS RM3814 is an already established agreement where new suppliers are able to join at any time. Therefore the contracting authority is only able to use those suppliers successfully registered on the DPS RM3814 agreement (via filter) for further competition without the need or requirement to publicise via OJEU publication.

Voluntarily and prior to commencement of the ITT via the DPS, the contracting authority published a Prior Information Notice (PIN) via OJEU advising the potential route to market and to ensure potential suppliers register in good time via the CCS.

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

### IV.2) Administrative information

#### IV.2.9) Information about termination of call for competition in the form of a prior information notice

The contracting authority will not award any further contracts based on the above prior information notice
