II.2) Description

II.2.1) Title

Lot 4a: Electrical Installation and Repair works – up to £10,000 per job

Lot No

4a

II.2.2) Additional CPV code(s)

- 45310000 - Electrical installation work
- 50116100 - Electrical-system repair services
- 50532000 - Repair and maintenance services of electrical machinery, apparatus and associated equipment
- 50710000 - Repair and maintenance services of electrical and mechanical building installations
- 51110000 - Installation services of electrical equipment
- 71314100 - Electrical services
- 71334000 - Mechanical and electrical engineering services

II.2.3) Place of performance

NUTS codes

- UKG12 - Worcestershire

II.2.4) Description of the procurement

Lot 4a: Electrical Installation and Repair works – up to £10,000 per job

These works will involve repairs and alterations to existing electrical systems to the Council's owned commercial properties, primarily the Civic Centre in Pershore and the Council House in Malvern, but also, the Council's Community Contact Centres, Leisure Centres, depots and other similar buildings. Contractors will be required to be NICEIC registered. The scope of work to include periodic inspections for electrical safety, portable appliance testing, repairs to existing lighting and small power electrical installations, installation of new electrical circuits, distribution boards and consumer units and any similar system installations. As well as internal work to buildings some elements of external equipment, ie lighting or external supply points, may also be included within works packages.

Some elements of the works will also require access to, and working at, heights, typically ceilings, roof loft spaces and external first or second floor levels. Some works may also have to be conducted "out of office hours" and involve evening, night or weekend attendance. In addition these works will include parks and open spaces work on lighting columns, including working at heights, electrical supply boxes, water pumps for pools and water play areas.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

10 February 2023

Local time

12:05pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.3) Additional information

The Council is using the e-procurement portal known as the Proactis Pro-Contract portal <https://procontract.due-north.com> to conduct this procurement exercise.

To gain access to the procurement documents, bidders will need to register their company details at the above website. Once registered, bidders will be emailed a log-in and password which will allow them to gain access to the procurement documents. Bidders will need to search for the invitation under Wychavon District Council and then electronically submit an expression of interest and follow the online instructions to view the procurement documents.
