- UKG2 - Shropshire and Staffordshire

Main site or place of performance

Shropshire and Staffordshire

II.2.4) Description of the procurement

The University is seeking to partner with a digital educational provider, for the following reasons to: to increase our national and global reach, increase the number of overseas students studying Harper Adams university awards, and to develop flexible study pathways. To be eligible to partner and provide these services you must have an existing online digital

education platform currently operating-delivering, strong proven experience in the sector, and the ability to generate demand and student uptake via national and international marketing/promotion in the sector. The partnership should be in place ready for initial course delivery to take place from 2025 (ideally September '25).

Within the next five years we are intending to make a strategic step change in terms of diversifying and growing substantially our revenue base and student numbers through the development of on-line educational courses and services.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

180

II.3) Estimated date of publication of contract notice

24 February 2025

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Further detail can be found within procurement documentation, RFI questionnaire and via subsequent documentation.

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

List and brief description of selection criteria

Must have an existing online digital education platform currently operating in the sector, a strong proven experience of supporting higher education providers and the ability to generate demand and student uptake of courses of higher levels.

Minimum level(s) of standards possibly required

Providers' platform must be operating and offering education in the UK and at least one other geographical domain in the Higher Education (HE) sector. Track record of generating demand for online HE courses and a proven track-record of national and international marketing/promotion in the sector.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Proven track record is required, references and website links should be supplied as requested.

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Further information can be found via the Multiquote e-tendering portal. Registration is free and all documentation is supplied FOC (free of charge) and submissions and expressions of interest must be received here only.

It should be noted that further CPV codes apply to this covering Business and Marketing consultancy (7940000) and Industry Specific software (4810000); unfortunately the Multiquote/Elcom portal will not allow these non-light touch codes to be included as well as the Education codes, as primarily this is a light touch PIN.
